

BAD GIRL

a psychological thriller from the mind of award-winning writer and director [Dylan Brody](#) and [Active Voice Productions](#)

A rebellious teen, sent by her wealthy parents for behavior modification therapy, finds herself ensnared in the destructive for-profit [Troubled Teen Industry](#).

When privileged teen Dalia Marcus, finds herself in a tough-love program more prison camp than boarding school she must adapt or die.

What seems a strict, educational program becomes increasingly damaging, threatening to strip away her very identity. With a growing awareness that nobody is coming to save her, Dalia will execute a daring escape from the caged-in campus... as long as her only trusted friend does not give away her plans.

BAD GIRL
